

ONE YEAR EXTENDED CLASSROOM PROGRAM

for

JEE (Advanced), 2016
(For XII appeared / pass students)

Program Focus & Objectives:

Excellence in JEE : Emphasis on making the students imbibe the fundamental concepts of Science & Mathematics and on sharpening their analytical skills and parallel thinking process which makes them capable of creatively resolving complex and tricky problems by mere application of basic concepts for a quantum jump in their performance in IIT-JEE. Each student has the right strategy for himself/herself for TIME MANAGEMENT to ensure optimum output. This enables the students to excel not only in **JEE (Advanced)** but also in **JEE (Main) & Other Engineering Entrance Exams**.

Course Structure:

- ❖ Entire course is divided into **4 phases**.
- ❖ **Extensive coverage of additional topics for JEE (Main)**.
- ❖ Each phase has exhaustive quizzes and Phase Tests (**both on JEE Main & JEE Advanced pattern**).
- ❖ Right mix of classes, problem solving and doubt clearing sessions.
- ❖ Good comprehensive pattern proof & thoroughly revised study material.
- ❖ Periodic tests on the **JEE pattern**. Regular feedbacks & test analysis sessions.
- ❖ Home assignments / Workbook.
- ❖ **All India Internal Test Series (AIITS)**: These test make students acquainted with a diverse set of examination patterns and alongside confer them with their National level performance ranking in the respective patterns. Tests are based on the common minimum syllabus of all classroom / School Integrated Programs.
- ❖ **Chapter practice problems (CPP)**: On each chapter students will be given chapter practice problems which they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty and will be returned to the students with remarks and suggestions. Thus helping every student to have a very strong command over fundamental concept knowledge very crucial for getting Top ranks.
- ❖ **Class Learning Improvement Program (CLIP)**: Icing on the cake of every class is done through Classroom Learning Improvement Program (CLIP) for those who have completed all assignments to further help them get a **higher Rank in JEE (Advanced), JEE (Main) etc.**
- ❖ **Rank Potential Index (RPI) / Success Potential Index (SPI)**: We are the only institute in India having the capability to predict Rank Potential Index (RPI) / Success Potential Index (SPI) of a student. We constantly encourage our students to emulate their Rank Potential Index (RPI) / Success Potential Index (SPI).
- ❖ Rank improvement Program (**RIP**) of **50 to 100 hrs**.
- ❖ **Common Phase Tests across the country** will be based on the pattern of both **JEE (Main) & JEE (Advanced)**.
- ❖ **IIT-JEE Archive**: Question Bank with Answers.
- ❖ Grand Masters Package (**GMP**)
- ❖ Rankers Test Paper File (**RTPF**)
- ❖ All India Test Series (**AIITS**) on the pattern of both **JEE (Main) & JEE (Advanced)**.
- ❖ **Open Test** for **JEE (Main & Advanced)**.
- ❖ Online Test Series Support through www.mypat.in

Duration:

Classroom contact hours of approx 410 hrs. However, the actual total input provided to the student is more than **540 hours** which includes.

- ❖ Doubt removal sessions
- ❖ Rank Improvement Program (RIP)
- ❖ Phase Tests and Tests of All India Test Series
- ❖ Test Analysis Sessions etc.

Normally classes are held 4 / 5 days a week for 4 hrs to 6 hrs each time. Each phase is followed by about 1 week of study leave, followed by a Phase Test. Classes can be held in the morning or evening session.

Note: The schedule of classes may vary from one study centre to another. Kindly contact your nearest FIITJEE centre for more details.

At FIITJEE based on your needs we have planned your academics and it will unfold as you go along.

You will have the **right mix of classes, problem solving and doubt sessions supplemented with in-depth, thoroughly revised study material for JEE, 2016**

This will help you develop comprehensive understanding of concepts and their applications.

On each topic you will be given **graded levels of assignments of varying difficulty.**

This will help you develop application and analytical skills required for JEE.

Assignments shall contain objective as well as numerical type problems.

You will be given **periodic tests which will be supplemented by test analysis sessions.**

This will not only give you a feedback but also develop the examination temperament.

All periodic tests called phase tests will be on the latest JEE pattern.

For almost all topics you will be given **objective type quizzes.**

We have planned your academics in such a way that course is finished much in advance of actual JEE.

That will leave you with enough time for self-revision, polishing of examination temperament and removal of last moment doubts.

Since inception, FIITJEE has laid emphasis on making the students imbibe the fundamental concepts of Science & Maths and on sharpening their analytical skills and parallel thinking process.

At FIITJEE you will find a very powerful system that can help you unfold your full potential systematically. We train our students in such a way that they are ready to scale IIT-JEE successfully irrespective of the pattern. What is required is total dedication and hard work.

Note: All those students who are appearing in entrance exam of any other recognized Engineering Institute* and are selected for One Year Extended Classroom Program for JEE (Advanced), 2016 and wanted to join later batch other than the one which is starting from that particular Admission Test for which you have appeared in, by depositing a token amount of Rs.11, 000/- (Rupees Eleven thousand only) + Service Tax* of Rs.1, 360/-.

*Students will have to mention the names of the Engineering Entrance Exams (upto maximum two entrance exams of recognized Engineering Institutes) and submit photocopy of Admit Card at the time of reserving their seats.

- In case the student qualifies in Entrance Exam of any of the two recognized Engineering Institutes (among the two mentioned by the student) and does not wish to join One Year Extended Classroom Program for JEE (Advanced), 2016 an amount of **Rs.10,000/-** will be refunded (after deducting Rs.1,000/- as administrative charges) provided the candidate submits the proof of selection and admission in any of the two recognized Engineering Institutes.
- In case the student does not qualify in Entrance Exam of any of the two recognized Engineering Institutes, the token money of **Rs.11,000/- + service Tax* of Rs. 1,360/-** will be adjusted against the course fee of One Year Extended Classroom Program for JEE (Advanced),2016.
- In case the student does not qualify in Entrance Exam of any of the two recognized Engineering Institutes and does not wish to join One Year Extended Classroom Program for JEE(Advanced), 2016 the taken money of **Rs.11, 000 /- + service Tax* of Rs. 1,360/- will be forfeited.**

*The present rate of Service Tax including educational cess is 12.36%.
